Dovetail Drawer Boxes

Order all your regular drawers....in the sizes you need. Solid wood only! Available finished, assembled, drilled and notched for your hardware requirements. Standard thickness is 5/8" sides with either 1/4" or 1/2" veneer bottoms.

Tight fitting, half-blind English dovetails are both beautiful and durable. We can manufacture all the drawers, interior roll out drawers, dovetail door mount waste bin drawers, cutlery insert drawers, spice rack insert drawers, door mount spice racks and pantry pullouts. All these parts are manufactured to your dimensions. You don't need to build your cabinets to fit a standard size pull outs, we build the pullouts to fit the cabinets you build. Specify your size, your wood, your specs and we will make it happen. Please send all inquiries to info@cabinetdoorsandmore.ca or the above fax number and we will get back to you quickly.
